

Heckturoeffnung 90°/180°
 (rear door opening)
 Sonderausrustung 260°
 (optional equipment)

Important notes:

- It is the responsibility of the bodybuilder to ensure that the vehicle is suitable for homologation after the body has been mounted.
- The drawing is simplified to some extent and is not legally binding. For more details and further explanations please see the MBAC-Web User Guide in the bodybuilder portal.
- Please check whether the drawing specification complies with the chassis configuration of your order.
- Optional equipment codes not listed here, KW-codes and changes resulting from feasibility checks (BBA) are not included in the drawing.
